Re: Creative Surfaces Inc. - Letter of Appreciation

Mr. Compton:

I am taking a minute to write a note of appreciation to you and your firm. Over the years, CSI has provided both a professional and familiar service to Clemens Construction Company. The scope of work you have performed for us varies widely - from quick, relatively small emergency patches to floor after floor of leveling and finishing. In all cases, the work is carried out efficiently and professionally. I would like to point out, in particular, that dealing with Mike Morrow is always a pleasure. He continually follows through on his commitments, meeting manpower and schedule demands, which in this business, is critical and often hard to find.

We look forward to the next project where we are able to award CSI a subcontract.

Sincerely,
CLEMENS CONSTRUCTION CO.
